Name Joe McLeLland District 94  
Campaign Address 431 S. WESTFIELD WICHITA 67209  
Email JOE@MCLELAND.ORG Campaign Website WWW.MCLELAND.ORG

1) Why are you running for the Legislature?

SPENDING IN KANSAS IS OUT  
OF CONTROL. WE NEED JOBS NOT  
HIGHER TAXES.

2) If you had the opportunity, what is the first bill you would like to submit in the 2011 session and why?

REPEAL THE SALES TAX INCREASE.

3) Do you support or oppose legislation that would allow for tax increases to be enacted only by a legislative supermajority or referendum? (i.e. either 3/5 or 2/3 vote of legislature for approval of a tax increase)

a. support

b. oppose

Why?

IT IS CURRENTLY TOO EASY TO INCREASE  
SPENDING + TAXES

4) When state revenues are less than state expenditures, which statement most accurately reflects your first priority?

- Maintain current expenditures and raise taxes.
- Both cut spending and raise taxes.
- Cut more than 15% before considering a tax increase.
- Do not raise taxes and cut spending.

If you would cut spending, are there any specific areas you would cut? Why?

CONSOLIDATE Government. Reduce  
DUPLICATION

If you were to raise taxes, what specific taxes you would raise and why?

NONE

5) What do you believe to be the most important issues facing the Kansas Legislature in the upcoming session? (Please rank 1-5, 1 being the most important)

- 1 TAXES
- 2 SPENDING
- 3 UN-EMPLOYMENT
- 4 EDUCATION
- 5 SOCIAL SERVICES

6) Many Cities, Counties and State agencies use tax dollars to hire lobbyists to lobby the Kansas Legislature. Do you believe this is a proper use of tax dollars and should such expenditures be disclosed to Kansas taxpayers? Why or why not?

Yes The expenditures NEED To  
be disclosed. ALL Lobbying by Agencies  
should be disclosed NOT JUST LOBBYIST.

7) How do you believe Kansas Supreme Court Justices should be selected?

Governor Appointment. Senate Confirmation

8) If the rate of inflation (consumer price index), plus population growth in Kansas grew at 4%, what do you believe would be the appropriate percentage increase in state budget expenditures? Why?

3-4%. We can NOT grow Government faster than the economy.

9) Kansas economic growth has been lagging behind our neighboring states and annual population growth is stagnant at an average increase of less than one-half of one percent per year. As a legislator, how would you address these problems?

CUT Taxes

10) The 2010 Legislature increased the state sales tax from 5.3% to 6.3% in part, to help fund a FY 2011 state general fund budget that increases spending by \$204 million over FY 2010. Once implemented, Kansas will have the largest sales tax amongst neighboring states. (Nebraska is next closest at 5.5%). Considering 33% of our population resides in a county bordering Missouri alone, do you support the decision of the Legislature?

No

11) Do you have any other positions or information that would be of interest to the members of AFP-Kansas?
